Re: Triton X-114

We have been obtaining the above material from the same supplier for over 5 years. To the best of our knowledge and belief there has not been any change in its formulation. I am sending our product information sheet for it under separate cover. Please feel free to contact me if you have any further questions regarding this information.

Best regards,

A handwritten signature in black ink that reads "Greg Wall".

Greg Wall, Ph. D.,
